POLICE SERVICES DISCUSSION

There was much discussion regarding the current police services and the terms of the current contract. The Finance Committee recommended that the City terminate the current contract and do a Request for Proposal. The proposal the City received from Villa Hills was unsolicited. There have been two other cities that have expressed an interest in giving a proposal. Mayor Tyson was asked if the City would be able to continue to negotiate the new contract that the City was working on before the City received the unsolicited proposal from Villa Hills and Mayor Tyson was in favor of this.

Tom Vergamini made a motion to not give notice to terminate the current contract with Erlanger Police Services and continue to negotiate with them. Mike Daugherty seconded the motion. Roll Call Vote Taken.
