CITY NEWS

LETTER FROM THE MAYOR

I was very proud to be a participant in the grand opening of the new Field & Stream store, only the second such store in the country. I was even more proud of our city when executives of Field & Stream said that our city was one of the easiest cities with which they have ever worked. This is a tribute to our fine city council, administration, public works, police, and fire department. Thanks to all for making the grand opening the success that it was.

Mayor Collett with Laura Sterbens, of the American Eagle Foundation and bald eagle "Challenger".

Another bit of great news is the \$6 million grant award received by Kenton County to improve Crescent Springs/Bromley Road. This is an 80/20 grant by which the federal government pays 80% of the project and the local government pays 20%. The project will provide a bimodal walking path and eliminate many of the dangerous curves in the road, improving its safety and providing a much needed alternate to the interstate.

I also want to extend my condolences to the Kallmeyer family on the passing of Keith Kallmeyer. Keith served on the Crescent Springs Volunteer Fire Department for 50 years. He will be greatly missed.

Please help me honor Crescent Springs Baptist Church on their 100 year anniversary and the Crescent Springs Volunteer Fire department on their 85 year anniversary.

I wish everyone a pleasant Thanksgiving holiday. Be safe and enjoy the time with family and friends.

—Jim Collett

FIRE DEPARTMENT UPDATE

Recently a series of Kentucky Enquirer articles examined several Northern Kentucky Fire Districts all of which fund fire and emergency squad services through real estate taxes. However in the Crescent Springs/Villa Hills, community fire and emergency services are provided by contract with the Crescent Spring-Villa Hills Volunteer Fire Department that is funded for the most part by the general revenue of both cities.

This contractual arrangement is handled through the Crescent Villa Fire Authority ("CFVA") an interlocal agreement entity that was created in 1976. Crescent Springs and Villa Hills are the sole members of the CVFA. The CFVA is governed by a board of 7 individual members (3 from Crescent Springs and 4 from Villa Hills) who are appointed by each city Mayor and approved by City Council of the member cities. In addition to contracting for fire and emergency squad services, the CVFA Board provides oversight of the contract budget for these services.

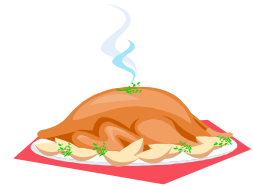

The list below shows the current breakdown for the Crescent Spring-Villa Hills Fire Department funding.

Crescent Springs	\$245,395
Villa Hills	\$368,093
Unincorporated Area	\$ 30,800
Ambulance billing	\$180,282
Grants	\$ 8,500
Interest	\$ 2,250
Total Budget	\$835,320

Staff includes 45 part time paramedic/EMT/Firefighters, 40 Volunteer firefighters and 1 Clerk. The Insurance Rating is "Class 3".

If any Crescent Springs resident is interested in serving on the CVFA Board, please contact Sue Hill, the City Clerk (859) 341-3017

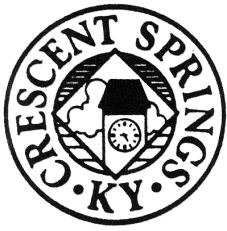

Offices will be closed
 November 28 & 29 for
 Thanksgiving Holiday.
 Wishing you a happy 'turkey day'
 as well!

United Christian Volunteers Food & Toy Collection

As the Holidays draw near we should keep in mind that the weak economy has affected many Northern Kentuckians. This year the City is collecting food items and new toys for United Christian Volunteers to distribute to needy local families. Items can be dropped off at the City Building from November 21st through December 5th. Please help us to make the holidays more merry for the less fortunate.

City offices will be closed December 24 and 25 for Christmas Holiday and December 31 and January 1 to ring in the New Year.

POLICE NEWS

The Erlanger Police Department is still undergoing a metamorphosis. We said good-bye to Officer Scott Russo in August as he left to take a position in Florida. Officer Pat Collura retired in July. Officer Kyle Thornberry graduated from basic training at DOCJT and is now on the road completing his field training. We welcome to our family Trisha Blake and Justin Auton. Trisha worked previously at St. Elizabeth. Justin comes to us from Probation and Parole. Both are currently in basic training in Richmond. After 26 years in law enforcement, Sgt. Norm Lyle retired on November 1st. Sgt. Lyle spent 14 of his 26 years serving the citizens in Crescent Springs. We wish him well.

Our biggest change is occurring in our command Staff. Chief Marc Fields has been hired as the new CAO for the City of Erlanger. With that move, we are excited that Capt. Bob Arens has been named the new Chief of the Erlanger Police Department. We know that Bob will fill this role with the integrity and professionalism that he has already exhibited in his current position. We also welcome Lt. Tony Wilson to the position of Assistant Chief. We know that both Bob and Tony are committed to maintaining the high quality of service that the Erlanger Police Department provides for our citizens.
