COUNCIL NEWS

Councilmember John Goering is moving out of the City. He served on the Finance Committee for a number of years as well as Long Range Planning, and was elected to Council in 2011. One fellow councilmember writes: "Thanks again John for your involvement and your leadership in helping the City of Crescent Springs succeed. You will be missed!" The vacancy on council will be filled by the Mayor's appointment of Lou Prabell at the May 12th Council Meeting. Lou has been a member of the 9/11 Memorial Committee and the Finance Committee and will serve through December to finish out John's term. Again, we are encouraging anyone interested in doing more for the betterment of their community to begin attending meetings (2nd and 4th Mondays of the month, starting at 7:00 pm) and consider running for City Council. The deadline to file is August 12th.

Please go to the Sec. of State website <http://app.sos.ky.gov/ElectionsDYC/> and the Kenton County Clerk's website <http://kentoncountyclerk.com> for information and application forms to file. Additionally, the last day to register to vote in the general election is October 6th.

VETERANS MEMORIAL 5K

Lace up those running (or walking) shoes and join the crowd in support of the Kenton County Veterans Memorial. Many soldiers will be here from Ft. Campbell to run and enjoy the weekend festivities. If you can not participate, we ask that you show your support and wave a flag along the route: Main entrance of the CS Community Park to Collins to Amsterdam and around the River Ridge Elementary bus loop and then back. The parade of runners starts at 8:30.

TAKING ROOT

We are happy to report that close to 200 white pine and dogwood seedlings were distributed through the City's give-away at the Easter Egg Hunt and afterwards. Trees are an important part of our community, and we are happy to be the proud-parents of these little ones!

9/11 MEMORIAL GOLF SCRAMBLE
