### CHIEF ARENS TO RETIRE

After 29 years of service to the citizens of Erlanger including 6 to the citizens of Crescent Springs, Chief Bob Arens has announced that he will retire effective May 1<sup>st</sup>. Chief Arens began his career with the Elsmere Police in 1986 before coming to the Erlanger Police Department in 1988. He worked his way up the ranks of Sergeant, Lieutenant and Captain before being named Chief of Police in 2013. Chief Arens plans on spending his time on a 'honey do list' created by his wife Karen, golfing and spending time with his grandchildren.

### SPRING/SUMMER SAFETY TIPS

With the onset of spring and the upcoming summer season, offenders use this time as an opportunity to commit 'confidence crimes' and burglaries for financial gain. The Police Department is offering the following tips to help safeguard against these crimes.

#### About These Crimes

- Offenders attempt to gain entry into residences using scams such as offering to check water and offering to clean gutters or rooftops.
- Upon gaining entry, the offenders may rummage through the residence.
- Offenders take cash and other valuables then flee.

#### About the Offender(s)

- Offenders wear clothing similar to real utility uniforms.
- They are usually males who work in pairs or small groups.
- Offenders trade clothing and disguises in order to avoid being identified.

#### What You Can Do

- Be aware of this situation and alert your neighbors.
- Ask anyone who is soliciting work to show you their occupational license.
- Ask anyone who is claiming to be from a utility company to show their work ID. Also check to see if they are driving a properly identified work vehicle.
- Call 911 to report any suspicious activity in your neighborhood.
- Keep exterior windows clear of obstructions such as shrubs and trees to insure a clear view of the front of your residence.

Bring us your leftover arts supplies for use with our new suburban arts effort.

We will be collecting between now and May 1 at the City Building. Leftover fabric, paints, crayons, chalk, sketch pads, drama scripts, sheet music, whatever arts supplies you have that you can't bear to get rid of, we'll see that they are put to good use.
